Generous Living

Giving is a beautiful opportunity for believers to engage in a true, selfless act of worship. We need to reframe the act of giving as an act of worship so our church families understand its significance. It's not merely about funding the church and its operations; it's about the heart of stewardship, faithfulness, and truthfulness.

The Gift of Giving

What if giving is actually one of God’s great gifts to help us grow into His likeness? The clearest teaching connects the tithe to the heart of the believer. Paul writes:

Remember this: The person who sows sparingly will also reap sparingly, and the person who sows generously will also reap generously. Each person should do as he has decided in his heart – not reluctantly or out of necessity, for God loves a cheerful giver. And God is able to make every grace overflow to you, so that in every way, always having everything you need, you may excel in every good work. (2 Corinthians 9:6–8)

A Cheerful Act of Worship

The crux of the matter is this: we need to reframe the act of giving as an act of worship so our church families understand its significance. It’s not merely about funding the church and its operations; it’s about the heart of Stewardship, Faithfulness, and Truthfulness. We should lead by example in demonstrating that giving is as much a part of our worship as singing “Great are you Lord” in our Sunday Services.

WAYS TO GIVE

Give Financially

- ACH (Automated Clearing House)
- Cash and Check
- Text to Give
- Online

Give Property

Consider giving rather than selling property such as houses, land, cars, etc. and take advantage of the tax benefits from donating property. Your donation of something like a car can be used to bless individuals who are in need.

Give Stocks

Donating stocks to Central is an excellent way to save on your taxes. Donating your stocks allows you to avoid capital gains taxes and allows Central to receive the full value of your donation.

Give a Legacy

By making a bequest in your will or living trust you will be able to leave a lasting legacy.
